AGADIR CHANDELIER

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Italy
Contemporary

It takes inspiration from the city of Agadir, on the southern Atlantic coast of Morocco, with its flowers, leaves and very rich spiral works. It is a collection of four chandeliers that derives from historical drawings of the Barovier&Toso archives but has been endowed with new elegant and sophisticated colors. Two models come in a reduced height (with eight or twelve arms) while the models with sixteen or eighteen arms are more suitable for high ceilings.
