

COUP D'ETAT

BCAA-X-F by Christopher Boots

Contemporary

Australia

A brave new world of forms inspired by the world of branch chain amino acids, the building blocks of life. From these base compounds, anything is possible.

BCAA is composed of a bespoke brass modular framework.

Sandblasted borosilicate glass covers in tubular or globular form.

Available in virtually endless dimensions – from single drops to extensions in metres of span or height.
