LIANA DINING TABLE - STONE TOP

BY SISTER BY STUDIO ASHBY

COLLECTION DESCRIPTION

Inspired by the fluidity of a climbing vine, The Liana Table transforms wrought iron into something unexpectedly light and expressive. Its sculptural base loops and coils beneath textured and tough travertine and stone tops. Hand-forged by artisans in Northern Italy, The Liana Table balances resilience with delicacy – rugged materials expressed like drawn lines.Solid Iron. Shown here with a Textured Silver finish with a Green Cipollino marble top.
