

HUBERT TABLE

BY GALLERY ELISE

COLLECTION DESCRIPTION

Contemporary
Thailand
The Hubert Table is a commanding yet nuanced work of art. Its design—suggestive of sinuous, arachnid hips and elongated, pointed legs reminiscent of Louise Bourgeois' iconic forms—merges raw symbolism with refined craftsmanship. Whether serving as a console, side, or coffee table, Hubert brings a sculptural presence that anchors any space. For those desiring an even more monumental statement, a larger size is available for dining applications.
