OUTSIDE IN COCKTAIL TABLE

BY PATRICK WEDER

COLLECTION DESCRIPTION

Contemporary
United States

Patrick Weder's work can be best described as a blend of streamlined architectural elegance with a loose instinctual sculptural refinement. Inspired by naturally occurring forms and by pushing raw materials beyond their practical application, Patrick consistently challenges the traditional boundaries of functional design. Doing so by developing original sculpting techniques in concrete, and by juxtaposing his organic forms and sculpted concrete elements with his signature clean minimal Swiss aesthetic.

Walnut and concrete, available as shown.
