

COUP D'ETAT

Hercules Cabinet

by Agrippa

Contemporary

Spain

The prehistoric saber tooth, the largest feline ever to have lived on earth, is the focus of this cabinet. The hand-carved wood sculpture of the saber tooth's skull functions as the handles for this architectural cabinet. Once the doors are opened, the crumpled gold leaf shines through in its many drawers.

Dimensions: 35.5" W x 17.75" D x 59" H
