**Bagagli Side Table
by Magni Home Collection**

Contemporary
United States

The “Bagagli” (Bah-gahl-yee) Side Table is hand crafted in Southern California. This piece was inspired by the earlier part of the 20th Century’s design and quality found in classic traveling trunks. With its fine details of stepped metal framing, visible bolt heads and wrapped leather top and drawers, this side table reflects a sense of understated worldliness. Available in White Bronze or Graphite. Drawer has soft closing glides with leather lined interior. Metal pull is leather wrapped on handle center.
