

A. CEPA MIRROR

BY KONEKT

COLLECTION DESCRIPTION

Contemporary
United States

Undulating and irregular in form, the striking A.Cepa Mirror commands attention and reflects a sense of random order. The sculptural frame, with rich texture and depth, is sand-cast at a fine art foundry in Pennsylvania and finished by hand.

Dimensions: 32"D, 40"D or 44"D

Materials: Mirror and Sand-cast Bronze or Stainless Steel.

Metal Finishes: Hand-patina Bronze, Blackened Bronze, Polished Bronze* or Satin Stainless Steel.

COUP D'ETAT

Additional:

*Polished bronze is left unlacquered as a live finish to allow a rich, natural patina to develop over time.

*Custom finishes available.

Price Upon Request.
