
# ARAK FLOOR LAMP

BY SKRAM

COLLECTION DESCRIPTION

United States
Contemporary

The arak floor lamp features an individually hand-formed, translucent porcelain diffuser supported by a blackened aluminum arm and a cast bronze hub. Arak products are a collaboration between skram lead designer Jacob Marks and North Carolina artist Mimi Logothetis, whose innovations (in the transfer of hand-applied graphics to porcelain forms) are a focus of the exploration. Machined aluminum foot switch. Premium quality, high-efficiency L.E.D. light engines provide outstanding quality and output. All skram lighting products rate at 90+ CRI, 2700k and are UL listed. Residential or contract use.
