

ASYMMETRIC SOFAS - CHAISE

BY BASSAMFELLOWS

COLLECTION DESCRIPTION

Italy

Contemporary

Designer Craig Bassam conceived the BassamFellows Asymmetric Sofa when he began looking for a stylish, scalable sofa that would be suitable for his personal study. He wanted a piece that would harmonize two competing needs – a sofa that would work during collaborative meetings whilst being appropriate for personal contemplation. Asymmetric is the quintessential landscape sofa group, which achieves asymmetrical or informal balance using closed and open elements that appear divergent, but carry equal visual weight. The group consists of three different lengths of sofa units, a corner unit, a chaise, and an ottoman. The planning module allows for a multitude of layout arrangements from a typical sofa format to landscape configurations where armed, armless, and backless elements can be combined to vary the horizon line of the piece and open it up to the room. Regardless of its configuration, the Asymmetric offers a supremely comfortable sit.

Please see tearsheet attached below, for dimensions and individual component details.

Wood: Solid Ash | Solid Oak | Solid Walnut

COUP D'ETAT

Finish: Ebonized black lacquer on Ash or bleached, white pigment, matte acrylic on Ash. Raw effect lacquer on Oak. Hand rubbed natural oil on Oak or Walnut, or hand rubbed black oil on Walnut.

Upholstery: Frame of solid wood and plywood with braided elastic belting supports. Seat cushions with high resilience, variable density foam and memory foam, topped by goose down. Backrest and armrest cushions with a core insert of high resilience foam and padded in high loft, channeled goose down. Upholstery covers are completely removable.

Price upon request.
