COUP D'ETAT

COURONNE TABLE

BY DE LA VEGA

COLLECTION DESCRIPTION

The Couronne Table showcases a harmony of intersections. The form is inspired by the work of Art Deco master Maxime Olde. The base is mixed materials of gunmetal steel, brushed aluminum stretchers and a polished brass screw detail.

The top is an elegant pattern of Coquille D'Oeuf (eggshell mosaic), grounded by the dark smooth resin within which it is embedded, trimmed in a satin brass frame.
