

## DAYBENCH

BY BASSAMFELLOWS

### COLLECTION DESCRIPTION

Italy  
Contemporary

One of BassamFellows' most recognized and coveted items, the Daybed, includes a wider collection of bench options – height adjusted for different uses both for dining and lounging and without a reclining back support. The benches have the same solid wood frame construction with solid wood slats and 'achingly soft' leather cushions. Hand sewn from separate panels of leather, each cushion is padded with all-natural down filling for softness and edge-banded foam for sharpness.
