

DOUG

BY DANIEL SHAPIRO

COLLECTION DESCRIPTION

Contemporary
United States

Part of Daniel's "Familiar Souls" series. "Doug" stands proudly at 20" high and 16" wide. The classic loyal soul, Doug spends his time anticipating other's interactions. Doug's comfort with his flappy physique is apparent in the glossy black glaze he chooses to adorn. His large mouth signifies openness and is seen as a sign of vulnerability among the soul community. The light source surrounded by thousands of 24k gold extrusions buried within is designed to invite further connection. While part of a series, Doug is one of a kind.
