THALAMOS, an exploration of Art Deco silhouettes represented in five ritualistic cast brass forms. Symbolising intimacy, secrecy, and sanctuary, and drawing on the Greek word 'thalamus' - meaning an inner chamber often containing sacred treasures - the collection centres around the theme of the inner sanctum; of intimate, daily rituals and personal sanctuary.

Ember is a solid fixture that will require very little maintenance over the years. If your Ember is treated with care, it will shine brightly for many years to come.
