

EQUINOX NO.2

BY ROSE GOLD SOCIETY

COLLECTION DESCRIPTION

Contemporary
United States

The Equinox Chandelier is a nod to kinetic 20th-century modern lighting with a hand-formed metal frame, reeded or smooth glass tubing, and hand-poured resin LED diffusers. A refined study of lines and sinuous curves, the Equinox is available in a wide variety of sizes and finishes. Installation by the artist's studio or by an expert installer with remote support is recommended.

Dimensions: 135" W in x 91" D x 55" H (approx.)

*Custom compositions and sizes available.

Overall Drop: 60" Minimum

Canopy: 14" Dia x 1" H Round Flush-Mount (driver housed separately)

Installation service by artist's studio is required or by expert installer with artist's studio remote support.

Finishes: Satin Nickel, Aged Nickel, Polished Nickel, Satin Brass, Polish...
