

## EQUUS SCONCE

BY KONEKT

### COLLECTION DESCRIPTION

Contemporary  
United States

The Equus Sconce features hand-finished brass with a horse hair trim, enhanced with an ethereal glow. This pairing highlights a contrast within and between the materials — horse hair appears wispy and delicate but is simultaneously coarse and strong, while the rigidity of brass is softened by gentle curves.

Dimensions: 8.75" W x 3.75" D x 9.25" H
