

FLORA NO. 2

BY J.M. SZYMANSKI

COLLECTION DESCRIPTION

Contemporary
United States

What is the architecture of a flower? FLORA, a lighting collection by J.M. Szymanski, explores a flower's remarkable form. The collection is a link between nature and the built environment. Hand-hewn iron details are produced in Szymanski's Bronx, NY studio. This rich metal is combined with hand-blown glass to make an exciting material combination.

Custom sizes available. Made in the Bronx, New York, USA.
