COUP D'ETAT

FLORIAN SCONCE

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Our historic archives provide a wealth of inspiration, and it was through them that the Florian design, collection of wall lamps, was conceived. The lines of the Florian are so retro but at the same time so contemporary, accentuated by massive Venetian crystal lampshades created using the “rostrato” technique invented by Ercole Barovier, intensifying the sparkle of the lights and making this chandelier a unique piece of craftsmanship.
