

FOGLIA RUG

BY SISTER BY STUDIO ASHBY

COLLECTION DESCRIPTION

Named after another one of Peggy Guggenheim's beloved dogs, the Foglia rug similarly epitomises this constant back and forth between looking in and looking out. Its Monet-esque linear motif suggests a view framed through glass, as if peering out of the window at leaves speckled with rain. Fitting, as 'foglia' is the Italian word for 'leaf'. A high pile rug made with hand-knotted wool, it's a naturally sinkable rug ready to soften any space.We are proud to collaborate with Label Step, a non-profit organisation committed to fair trade and supporting the well-being of weavers in the carpet industry.Composition: Hand-knotted Wool.
