

FRACTURE COSMIQUE III

BY ERWAN BOULLLOUD

COLLECTION DESCRIPTION

France
2016

Erwan Boulloud employs a wide range of materials, harnessing the potential of each to reveal its uniqueness. For Boulloud, matter is a field of experimentation: he burns, polishes, strips, dissects, and reconstructs in order to uncover hidden facets and depth. Guided by a Darwinian logic, his creations emerge in a state of perpetual effervescence, adapting and evolving to form lineages, crossbreeds, or mutations before eventually disappearing. Each assembled work carries within it a narrative that unfolds through its forms, materials, and movements.
