

INFINITE BUTTERFLIES: KALEIDOSCOPE BY JOCELYN MARSH

BY COUP STUDIO

COLLECTION DESCRIPTION

Contemporary
United States

The "Infinite Butterflies" series delves into the delicate balance between industry and nature, encapsulated in the life cycle of the butterfly. This creature, undergoing profound metamorphosis, serves as a potent symbol of transformation, faith, and the impermanence of life.

"Kaleidoscope" by Jocelyn Marsh extends this dialogue from the "Infinite Butterflies" series. Much like peering into a kaleidoscope, this artwork invites viewers into another world filled with bright colors and mesmerizing patterns. The larger-than-life installation offers an immersive experience, simulating the sensation of being surrounded by a vibrant swarm of butterflies.

Each one of a kind piece is numbered and signed by the artist. Exclusively available through COUP STUDIO.
