

LUMARA NO.02

BY MNEME

COLLECTION DESCRIPTION

Contemporary
United States

This collection began with a vision: lunar caves, atemporal rock formations, and the quiet suggestion of life blooming in the unlikely places. Botanical forms emerging from imagined caverns, delicate and robust, emanating light.

Sculpted table lamp in cast bronze, with five prongs that cradle a hand-blown glass cloche. The matte, acid-etched exterior creates a soft, ambient illumination.
Dimensions: 11" Dia x 11" H
Weight: 28.75 lbs
Item Number: LT-MNEME-LUM-02

Patina Options: Blanc | Jade | Gold | Noir
