

LUMARA NO.03

BY MNEME

COLLECTION DESCRIPTION

Contemporary
United States

This collection began with a vision: lunar caves, atemporal rock formations, and the quiet suggestion of life blooming in the unlikeliest places. Botanical forms emerging from imagined caverns, delicate and robust, emanating light.

Sculpted table lamp with a cast bronze base and seven prongs holding a hand-blown glass cloche. The glossy exterior and acid-etched interior provide even light distribution.
Dimensions: 13" Dia x 19.25" H
Weight: 63 lbs
Item Number: LT-MNEME-LUM-03
