

MAREA PENDANT - SMALL

BY OCHRE

COLLECTION DESCRIPTION

Hand blown Murano glass in cool, natural or warm hues, suspended by patinated brass chain. Every Marea pendant is unique and crafted by the highly skilled 'incalmo' technique where 2 separately blown glass bubbles are joined together at precisely the right moment for a perfect fit. Each piece naturally evolves into its own individual form, approximating specified dimensions. When displaying several lights together there will be differences between pieces, in shape, size and color density.
