

MARGARET SIDE TABLE

BY BRENT WARR

COLLECTION DESCRIPTION

Contemporary
United States

Inspired by antique perfume vessels, the Margaret Side Table highlights the playful dichotomy between art and function. Handcrafted in our Atlanta studio, this side table is crafted from a wood base and delicate plaster and paint mix. This modulation of geometry being soft yet bold reflects that of perfumery designers in the 1890s. The Margaret acts as a functional art piece and is perfect for any living room or bedroom side table.
