

MORNING IN LOWVELD

BY LESLIE NIX

COLLECTION DESCRIPTION

Contemporary
United States

Los Angeles-based artist Leslie Nix is known for her singular personal style. With an interest in transformative materials, her process relies on experimentation, working in the mediums of oil on canvas, bronze, and glass. Her paintings, sculptural lamps, and decorative objects are influenced by her travels, including experiences in Africa. Nix received her BFA from the Savannah College of Art and Design.
