COLLECTION DESCRIPTION

Contemporary ThailandThe Necked Side Table is a refined study in contrast—material, proportion, and form. A floating parchment-wrapped disc rests delicately atop a polished bronze tapered neck, grounded by a broad, natural base. Sculptural and poised, this piece is both functional and quietly dramatic.Dimensions: 15.7" Dia. x 17.9" H Item Number: TS-EA-NECKED SIDE TABLE Standard Finishes: Chablis Parchment | Polished Gold Bronze | Antique Bronze Alternative Finishes: Angora Parchment | Jade Parchment | Truffle Parchment
