

PALATINO

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

The Palatino vase celebrates the mastery of Roman mosaics and the art of Murano glassmakers. Inspired by the villas of the Palatine Hill, it evokes ancient mosaic pavements, reimagined in Venetian terrazzo and reinterpreted in a contemporary key. The creation begins with the "drawing of the rods" and the formation of the murrine, fused and applied to a glass cylinder, shaped and finished with a matte surface. The tessellated design makes each piece unique and refined, like a dance between past and present. It is a celebration of eternal beauty and rich artistic heritage, reinterpreted for the contemporary world.
