

PERSEUS TABLE LAMP

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Italy
Contemporary

An illuminated sculpture, a lighting emotion, a world away from the classic style. It is composed of a large number of Venetian crystal elements that represent a mix of the glassmaking techniques reinterpreted, paired, and mixed in a subversive way with respect to the canons of classicism.

7314 Dimensions: 21 1/2" W x 22 1/2" D x 26 1/2" H
