

PINE TREES RUG

BY SISTER BY STUDIO ASHBY

COLLECTION DESCRIPTION

Inspired by the linear formation of a pine forest, our Pine Trees Rug combines modernist shapes with neutral hues, creating an almost camouflaged aesthetic that seamlessly fits into any space. Crafted from hand-spun New Zealand wool and hand-dyed with a rich abash, this rug is meticulously knotted in Bhadohi, India. We extensively researched materials and dyes to develop this unique palette, resulting in an original and eye-catching addition to Sister's rug collection. Striking yet versatile, the Pine Trees Rug is a favourite in our showroom and design projects. Working with Label Step – a fair-trade non-profit organisation – to ensure the well-being of weavers across the carpet industry. Composition: 90% Wool, 10% Cotton.
