

## PROMETHEUS II PENDANT

BY CHRISTOPHER BOOTS

### COLLECTION DESCRIPTION

Contemporary  
Australia

Prometheus stole fire from the Gods of Mt Olympus and gave it to humankind. More than the means for survival- light and technology, Prometheus' gift represented creative potential. The spark of creation, previously limited to the Gods, gave mortals the power to dream, to create, to imagine and challenge.

PROMETHEUS II is an ascending blaze of crystal quartz, venerating its namesake in a ring of flame. PROMETHEUS II embodies the Christopher Boots rough-luxe aesthetic and is considered a contemporary classic.
