

RIB FLUSH MOUNT

BY KONEKT

COLLECTION DESCRIPTION

Contemporary
Italy

The Rib Flush Mount is available in two shapes and three sizes. Each glass pendant is blown in Italy and delicately framed by thin brass ribs. A cylindrical brass finial, with optional hand-wrapped leather or suede, elongates the pendant and adds a finishing touch of refinement.

The collection continues Konekt's exploration of opposing characteristics — finding contrast and balance between strength and fragility, soft curves and sharp lines, adornment and moderation.
