

RIB PENDANT - CAPSULE

BY KONEKT

COLLECTION DESCRIPTION

Contemporary
Italy

The Rib Pendants are available in three shapes and ve sizes, designed to stand alone or in various grouped arrangements. Each glass pendant is blown in Italy and delicately framed by thin brass ribs. A cylindrical brass finial, with optional hand-wrapped leather or suede, elongates the pendant and adds a finishing touch of refinement.

The collection continues Konekt's exploration of opposing characteristics — finding contrast and balance between strength and fragility, so curves and sharp lines, adornment and moderation.
