

RIB TABLE LAMP - SPHERE

BY KONEKT

COLLECTION DESCRIPTION

Contemporary
Italy

The Rib Table Lamps are available with two different glass shapes, each blown in Italy and delicately framed by thin brass ribs. A cylindrical brass base is wrapped in leather or suede, enhancing the rich interplay of colors and textures. Both shapes are available in two height options.

The Rib collection continues Konekt's exploration of opposing characteristics — finding balance between strength and fragility, soft curves and sharp lines, adornment and moderation.
