

ROSATI SCONCE

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Italy
Contemporary

This wall sconce takes its cue from drawings conserved in the precious historical archives of Barovier&Toso, reworked and reformulated with a more modern design. Simple, elegant lines that transcend fashion. Each candle cup holds a little stroke of genius: a "rostrato", a piece of glass with extruded pointed tips, which hides the lamps from view. Their light is refracted infinitely as it passes through the glass tips that are at the heart of the "rostrato" technique.
