

SALON SETTEE AND SOFA

BY BASSAMFELLOWS

COLLECTION DESCRIPTION

United States
Contemporary

The Salon Lounge Collection was conceived to fit harmoniously within any setting where conversation flows and conviviality is encouraged. In silhouette, the Salon series evinces a certain gentlemanly brio; like a classically tailored topcoat that camouflages a feather light quilted lining. This visual illusion has been achieved through BassamFellows signature layering system, which features thin, down, feather and fiber-filled seat toppers and lumbar and bolster cushions, which are baffled inside to retain their structure and comfort.
