

SAN SCONCE

BY CHUCK MOFFIT

COLLECTION DESCRIPTION

Contemporary United States Southern California-based artist and furniture designer Chuck Moffit creates work that marries time-honored techniques with innovative mechanics. His collections balance brutalist processes while incorporating delicate details. Moffit creates his pieces out of glass, steel, bronze, and leather, but is not confined by these materials and is engaged in experimenting with unexpected elements. His work often blurs the lines between art and functional furniture. Bronze and patinated steel flush mounted wall sconce. From the Armor Amor Collection. Edition of 50 + 2 AP.
