

SLINK LOUNGE CHAIR

BY BASSAMFELLOWS

COLLECTION DESCRIPTION

Italy
Contemporary

The Slink Lounge Chair is a contemporary take on a slipper chair. The bucket seat shape and thin padded shell appears to roll and have movement, giving Slink its name. The chair's base utilizes carved solid wood members that taper inward under the seat, much like an automotive chassis – providing exceptional strength while disappearing from view. Upholstery detailing features a signature welt and no seaming for a minimal, yet luxurious look.

CB-621 Slink Lounge Chair
