BY BASSAMFELLOWS

### COLLECTION DESCRIPTION

Italy  
Contemporary

The Soft Collection features gently turned edges, celebrating the tactile and warm nature of each piece, which is carved from a solid wood block. Items of sculpture in their own right, the series can be used individually or as part of the modular system. Consisting of a long box, a short box, each with lids, and an organizing tray, these elemental, strikingly simple storage containers add an accent of luxury to any interior.
