

## SPOKE TABLES

BY BASSAMFELLOWS

### COLLECTION DESCRIPTION

Italy  
Contemporary

Evocative of simple geometric line drawings, the Spoke Table series features a large wooden ring supported by three spokes, which connect seamlessly to the outer edges. The perfect timber circle – the work of the company's master craftsmen – emphasizes the wood's grain, producing a compelling concentric effect best admired through a glass top. The table's elliptical legs achieve a slim, tapered silhouette which balances the top's sense of bold geometry.
