

STEVE

BY DANIEL SHAPIRO

COLLECTION DESCRIPTION

Contemporary
United States

Part of Daniel's "Familiar Souls" series. "Steve" stands proudly at 14" high and 10.5" wide. While his build is slight his muscly physique glistens proudly in his glossy black glaze exterior. As is common with the physical manifestations of souls, Steve's inner walls house his authentic self. Upon further inspection a light source can be found inside Steve's cavity surrounded by thousands of clay extrusions glistening in 24k gold luster creating a sea of reflection that almost invites the viewer inside. While part of a series, Steve is one of a kind.
