

STUDIO SERIES WALL SCONCE

BY CHUCK MOFFIT

COLLECTION DESCRIPTION

Contemporary
United States

Southern California-based artist and furniture designer Chuck Moffit creates work that marries time-honored techniques with innovative mechanics. His collections balance brutalist processes while incorporating delicate details. Moffit creates his pieces out of glass, steel, bronze, and leather, but is not confined by these materials and is engaged in experimenting with unexpected elements. His work often blurs the lines between art and functional furniture.

The Studio Series Wall Sconce is constructed with bronze, patinated steel, and faux calfskin shade. Made by lost foam casting. Edition of 50 + 2 AP.
