

TABLE NO. 13

BY J.M. SZYMANSKI

COLLECTION DESCRIPTION

This versatile side table, which can also shift effortlessly from side table to desk, features a bronze patinated steel frame paired with a hand dyed parchment leather top. The vertical support is wrapped in hand-stitched suede leather, highlighting the craftsmanship and materiality of the piece. A balanced design of metal and leather makes it sophisticated, sculptural, and undeniably chic.Custom sizes and finishes available. Made in New York City.
