

TRIBUTARY SIDE TABLE NO. 3

BY REFRACTORY

COLLECTION DESCRIPTION

United States

Contemporary

The Tributary motif is about headwaters and braided streams and also about the nature of tribute - the channeling of materials and processes into something contributory. The works are anchoring, monumental, and express movement between elements both navigable and rough, high plateaus and shallow estuaries.

Tributary Side Table No. 3 is comprised of two substantial solid oak or walnut tops flanked by a pair of cast bronze uprights.
