COUP D'ETAT

TUILERIES SCONCE

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

With its modern form made more traditional using the “rugiada” technique, patented in the 20th century by Barovier&Toso, Tuileries is an infinite wall lamp: its perfect symmetry enables the creation of endless compositions of illuminated and nonilluminated elements, always perfectly arranged and enriched by the brushed metallic structure with its warm honey bronze colour. The opportunities for personalization are limitless, allowing entire walls to be covered, almost as a sort of luxury paneling.
