

VALLONNÉ OPALE SUSPENSION LAMP

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Vallonné Opale is a collection of suspension lamps in Venetian Crystal, mouth blown and crafted by hand. Action/reaction, expansion/retraction: the idea of the design stems from this system of forces and tensions, where the surfaces of the object reveal a precise pattern of lines and incisions, bringing out a sequence of expansions through various geometric shapes. Vallonné Opale is made with the jacketing technique, with an opaline, milky external effect that spreads light gently.
