VALLONNÉ SUSPENSION LAMP

BY BAROVIER&TOSO

COLLECTION DESCRIPTION

Vallonné is a collection of suspension lamps in Venetian Crystal, mouth blown and crafted by hand. Action/reaction, expansion/retraction: the idea of the design stems from this system of forces and tensions, where the surfaces of the object reveal a precise pattern of lines and incisions, bringing out a sequence of expansions through various geometric shapes. In the Vallonné collection, the lamps are in transparent crystal and contain a tapered core of glass that conceals the light source.
