

## VERONESE TABLE LAMP

BY BAROVIER&TOSO

### COLLECTION DESCRIPTION

Italy  
Contemporary

The creations of Barovier&Toso are one-of-a-kind works in Venetian mouth blown crystal and handcrafted by master artisans in Murano, custodians of an age-old tradition passed down across the generations.

Angelo Barovier invented a revolutionary formula that made it possible to obtain an unprecedented material with extraordinary characteristics of extreme transparency and brightness.

A crystal vase crossed by a beam of light, in the famous painting by Paolo Veronese depicting the Annunciation. This is the image behind the pure lines of an object of consummate elegance, reinterpreted in modern terms. With its diffused, enveloping light the lamp fits perfectly into classic and modern decors, bringing them unique, exclusive character.

# COUP D'ETAT
