

## WALL DRAWERS

BY BASSAMFELLOWS

### COLLECTION DESCRIPTION

Italy  
Contemporary

Drawing inspiration from minimalist artist Donald Judd, who repeatedly explored the pure geometry of multiplying boxes in his work, the design of the Wall Drawer attempts to transform a simple wooden box into something sublime. Like the artist's work, each wall drawer emanates a rigorous, sculptural power. Drawer fronts are constructed entirely of solid wood planks while the drawer box is fully finished on all sides in wood veneer, lending a sense of pure symmetry. Minimal details such as a carved, integral drawer pull and soft-close interior hardware add luxury while maximizing functionality.
