

WALL SCULPTURE NO. 2

BY J.M. SZYMANSKI

COLLECTION DESCRIPTION

Contemporary
United States

This collaboration with Marco Querin is a study in conflict — hard metal vs soft textile, broken panels vs continuous threads, light and airy fiber vs dark and dense steel, subtle shifts in yarn color and weight vs stark cutouts in immutable alloy. Whether viewing this piece up close or from a distance, there is sure to be something to catch your eye, no matter how many times you've contemplated it.
